

Sound of Jewels

The background of the entire page is a detailed illustration. On the left, a tall, dark castle tower with a conical roof rises into a sky filled with soft, white clouds. In the foreground on the right, three figures are visible: a person in a dark, hooded cloak stands looking towards the left, while two other figures, one in a light-colored tunic and the other in a darker one, are walking away from the viewer towards the right. The overall style is reminiscent of classic anime or manga art.
